Great Shooting Sensation! HAHN "45" REVOLVER Gas Powered • True Single Action • 18-Shot Loading!

Here's a new fun gun—an authentic replica of the West's famous Peacemaker. It's the same length and has the same balance, feel and pointability as the genuine frontier six shooter. Really a gun that will become one of your prized possessions, and one the whole family can enjoy.

Look at these Hahn "45" features

- Ruggedly built, die cast, with "old western" blue-black finish.
- Stag horn plastic grip.
- Single Giant Crosman CO₂ Powerlet gives up to 75 easy shots.
- Long knurled spur hammer for lightning fanning.
- Positive stop revolving cylinder holds 6 BB's. Spring feed tubular magazine feeds 12 more into cylinder chambers as you shoot. Instant feed with no spilling or jamming... shoots in any position. Easy bull's-eyes at 25 feet.
- Every gun factory-tested for high accuracy. Weighs only 2 pounds.

HAHN SUPER BB REPEATER

Here's the great new *repeating* BB Rifle that brings a new world of fun to BB shooting. There's no other BB gun like it! No pumping, no heavy spring cocking. Just flip the lever. It feeds, loads and cocks the gun in shooting position. Its frontier styling... real gun size and feel, makes it more fun to shoot. Discover faster, easier shooting pleasure with the Hahn Super BB Repeater.

Exclusive Magnetic Swing Loading. Feeds and loads in any position as fast as you flip the lever. No jamming, spilling, or double loading. Magazine holds 30 steel BB's, refills in just seconds.

Exclusive Powerlet Gas Power. The CO₂ gas does all the work, quietly and with no recoil. Single Giant Crosman Powerlet provides power for many effortless shots.

Exclusive Fingertip Lever Action. Easiest, cocking and loading device ever found on a BB gun. A flick of the lever feeds, loads and cocks rifle.

Exclusive Quality Construction, Real Gun Styling. Patterned after famous lever action rifles of frontier days. Hand finished wood stock and forearm, heavy blued steel barrel. Die cast metal receiver and lever. Real target sights. Open rear sight adjustable for windage and elevation... Easy to handle, the Hahn Super BB Repeater is 34 inches long, weighs only 3 pounds 8 ounces.

For FAST, Fast Drawing... smart appearance

NEW HAHN **FAST DRAW** **HOLSTER**

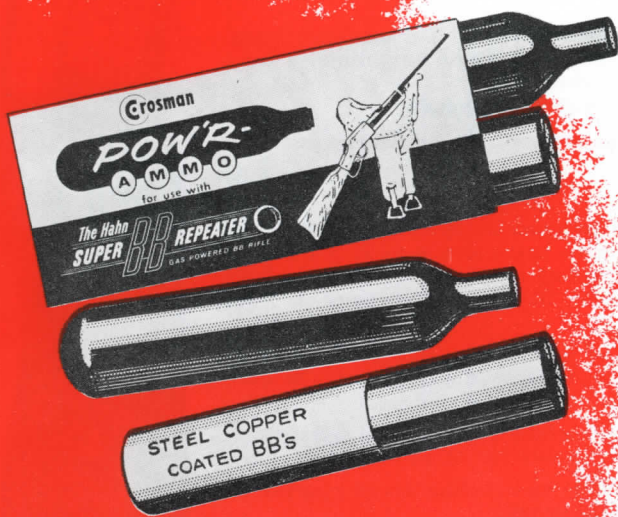

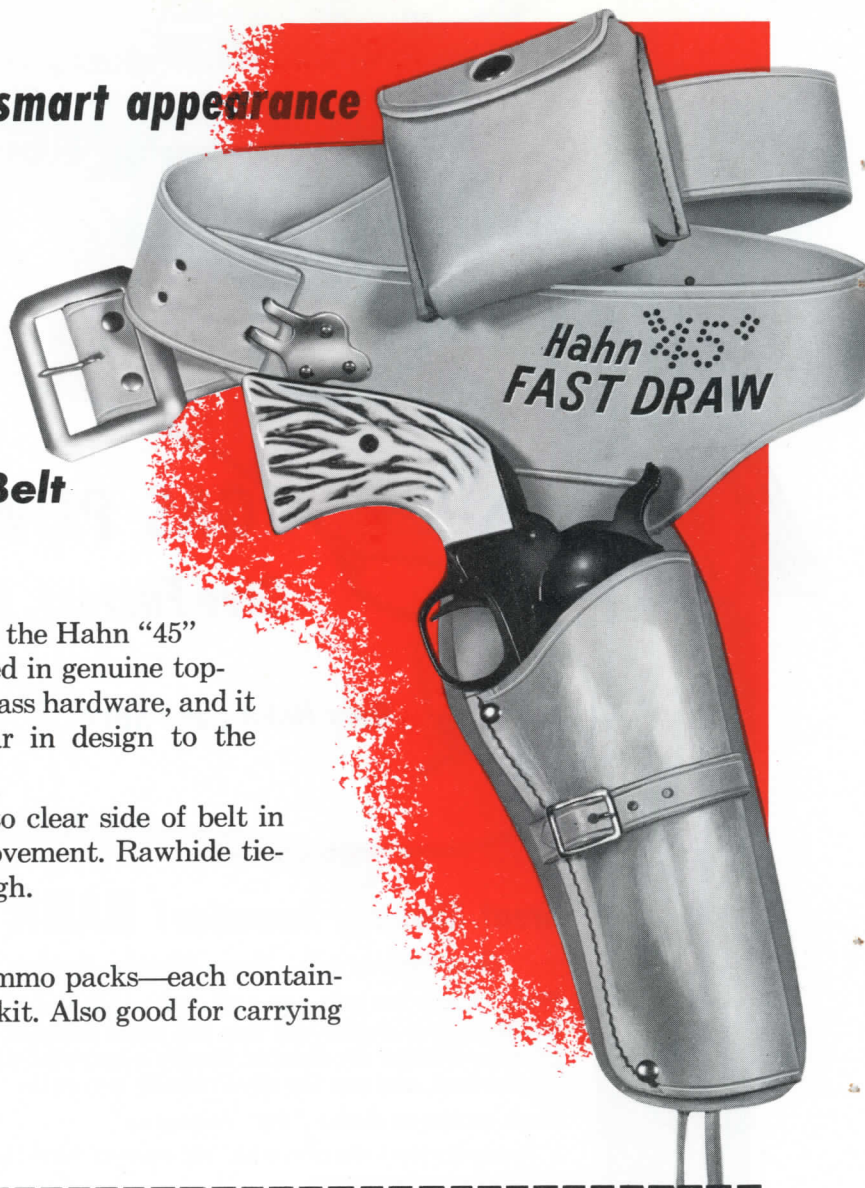

**with authentic Buscadero Belt
and Special Ammo Pouch**

This is the holster designed specially for the Hahn "45" BB Revolver. It's a rugged outfit, crafted in genuine top-grain edged cowhide... anchor brand brass hardware, and it accommodates firearm revolvers similar in design to the Hahn "45."

Buscadero belt allows revolver handle to clear side of belt in draw... permits greater freedom of movement. Rawhide tie-down thong holds holster securely to thigh.

Belt adjustable from 26" to 44".

Ammo pouch holds 2 Crosman Powr-Ammo packs—each containing 1 Giant Crosman Powerlet and BB kit. Also good for carrying firearm cartridges.

CROSMAN POWR-AMMO® PACK

Crosman low-cost Powr-Ammo Pack contains one Giant Crosman Powerlet and BB Kit (minimum 110 BB's)—all that is needed to shoot either the Hahn 166 Repeater and "45" Revolver.

Only the exclusive Crosman CO₂ Giant Powerlet fits the Hahn 166 and "45" and delivers uniform pressure for accurate grouping of shots. Powerlets contain odorless, non-toxic CO₂ gas. Safer power for today's easiest, fastest BB shooting.

Copper coated steel BB's are recommended for best results in Hahn guns.
